No of Students :-

The school houses a total no. of a thousands students from various back ground.

Environment Education

- The school practices the value of JPIC – Justice , Peace , Integrity of Creation. The students are encouraged to participate in living in harmony with mother earth – nature and all human beings.
To inculcate the values of JPIC the following activities were conducted.
- An interschool rally that culminated at Notre Dame was organized by NGO (green hammer) to promote “ Same Mother Earth”
“Earth is the only place to live, survive and succeed”
- The ‘Eco – Club’ conducted an assembly – “ My Earth and My Responsibility” and there was a tree planting program. High School students and parents planted saplings in the school campus.

Wealth out of waste

To bring out inherent creativity of each child Wealth out of waste activity is an annual activity. The students are encouraged to prepare creative and innovative models and art items from different waste materials like newspapers, bangles, ice cream sticks and the like.

Cleanliness Drive

Periodic cleanliness drive are organized to make students and the neighbourhood aware about the importance of cleanliness; of minimum use of plastics and to keep surroundings clean.

The students spread the message “If you can’t clean your surrounding don’t make it dirty”.

Cleanliness and Hygiene is next to Godliness.

Amen
