Dear Parents,

The academic year 2022-2023 is drawing to a close. We have much to thank God for and equally much to look ahead to.

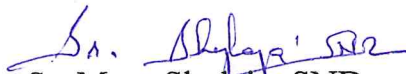

- The students from classes Jr. KG to VIII will begin their final exam from 6th March, 2023 and finish on 15th March, 2023.
- The Results of the students will be announced and report card will be issued on 29th March, 2023.
- We need to inform you that after a lapse of two years, there is a normal increment of school fees for all classes from KG to class X but due to the COVID – 19 pandemic the school had not increased the school fees for the last four academic years.

Therefore there will be a nominal fee increment of the school fees for the academic year 2023 – 2024. Details of the fee structure will be given to you class wise on Report Card Day. i.e. on 29th March, 2023 or it will be available on IVRM Portal from 2nd April, 2023.

- Our plus 2 - building is in the making. After the completion of the construction of the building the school will apply for the upgradation of the CBSE affiliation for Senior Secondary.
- Smart boards are introduced for KG to class X.

Thank you for your co-operation that has enabled us to offer you continued services as we strive to grow together from strength to strength.

God Bless You

Sr. Mary Shylaja, SND
Principal
